John R. Dawson

LETTER TO OFFICIAL DRAFTSMAN

Official Draftsman
Assistant Commissioner for Patents
Washington, D.C. 20231

Match and Return

In response to the November 14, 2002 Notice of Allowance, applicant hereby submits a complete set of formal drawings for the above-referenced application.

The informal drawing corrections submitted by the applicant on April 20, 2002 has been approved by the examiner. In particular, element number 55 has been added to FIG. 1, element 208 has been added to FIGS. 9, elements 32a-c have been added to FIGS. 6, 8, and 10, element 22 has been added to FIGS. 7-11B, element 307 has been added to FIGS. 9 and 10, and element 220 has been added to FIG. 11A. Also, the margins on drawing sheet 2 (FIGS. 2-4) have been corrected. Redlined corrected drawings showing these changes are also attached.

The enclosed drawings represent a complete set of formal drawings for this application. In the event the enclosed drawings are deficient in any way, please contact the undersigned attorney for correction.

Respectfully Submitted,
